Sanitized - Approved For Release : CIA-RDP54-00177A000100160013-2

Transportation Division

Would like a chart of present set-up showing different branches and how they tie in to one another.

Are statistics on p. 5 for calendar years or fiscal years? Mileage does not appear to agree with figures prepared by Management.

The chapter on Administrative Service will require an overall account of the Administrative Services - how they tie in as the housekeeping element of CIA.

Records Management and Distribution Branch.

25X1A6a

a) no mention is made of move to [redacted] Should this not be included?

b) Have the titles of the various sections, branches and offices mentioned been checked with the official nomenclature of the time?

c) The Courier service deserves more mention in regard to its growth and duties - handling of Top Secret documents etc.

d) Who now handles employment of chauffeurs.

e) Foreign Courier service - handling of pouches to and from abroad.
